NMS Mechanical Contractors Ltd
1 Newtown Lawn, Newtown, Enfield, Co Meath
E: sales@nmsgroup.ie
W: www.nmsgroup.ie

NMS Mechanical Contractors has been providing quality heating, plumbing, ventilation installations and servicing, to a wide range of clients in Ireland and beyond since its inception in 1999. Our mission is to fulfil whilst at the same time exceed our clients expectations. To this end, we are continuously upgrading and improving the skills of our workforce, systems and service offering.

Our company is RGII and OFTEC approved, SEI affiliated and ISO 9001:2000 certified. To our wide customer base this provides peace of mind, reductions in their costs and time and the knowledge they are dealing with a professional and fully compliant company.

Our services include:

- **Boiler Servicing • Heating & Plumbing Installations**
- **Complete Bathroom Refurbishments • Energy Efficient Boilers**
- **Solar Panels • Heat Recovery Systems • Insulation**
- **Maintenance Contracts**

Regards

Alan Filan
Managing Director

Your next boiler service is due

Boiler manufacturers recommend that a boiler is serviced annually. A boiler which is regularly serviced:

- Is less likely to breakdown when needed
- Operates more efficiently which saves money
- Is more environmentally friendly
- Prolongs and enhances the lifetime of a boiler
